CASE NO. ST-20-CV-014

ACTION FOR DAMAGES

JURY TRIAL DEMANDED

PLAINTIFF'S SUBPOENA TO THIRD-PARTY
BROADVIEW NETWORKS, INC.

In accordance with Rule 45 of the Virgin Islands Rules of Civil Procedure, and pursuant to subpoena issued in the pending action *Government of the United States Virgin Islands v. Estate of Jeffrey E. Epstein, et al.*, ST-20-CV-014, before the Superior Court of the Virgin Islands, Division of St. Thomas and St. John, you, Broadview Networks, Inc. are hereby commanded to produce and deliver all documents responsive to the Requests set forth below to Carol Thomas-Jacobs, Esq. within 30 days following receipt of this subpoena. If you have any questions, please contact Carol Thomas-Jacobs, Esq.

I. DEFINITIONS

Unless otherwise specified, the documents specified below are required to be produced for the time period commencing January 1, 1990 until present, or for as long as you have retained records. Where production of account data is provided in electronic format or media the preferred software format to incorporate the data into is Microsoft Excel.

As used herein, the following terms are defined as indicated:

1. As used herein, the term "Account Holder" shall mean any person or entity in whose name an account is held or where the person or entity has held any ownership or other interest or has had signatory authority.
2. "All/Each." The term "all" and "each" shall be construed as all and each.
3. "And/Or." The connectives "and" and "or" shall be construed either disjunctively or conjunctively as necessary to bring within the scope of the discovery request all responses that might otherwise be construed to be outside of its scope.
4. "Communication" means the transmittal of information (in the form of facts, ideas, inquiries or otherwise).
5. "Concerning" means relating to, referring to, describing, evidencing or constituting.
6. The terms "Document" or "Documents" are defined to be synonymous and equal in scope to the usage of these terms in Federal Rule of Civil Procedure 34(a), including, without limitation, any written, drawn, printed, typed, photographed or other graphic or electronically or computerized recorded data or compilations of any kind or nature prepared or received by, or in the possession, custody or control of the answering party, its agents, servants, employees or other representatives. Originals, drafts and all non-identical copies are separate documents within the meaning of this term.
7. The term "identify" when used with reference to a person, means to give, to the extent known, the person's full name, present or last known address, and when referring to a natural person, additionally, the present or last known place of employment. Once a person has been identified in accordance with this subparagraph, only the name of that person need to be listed in response to subsequent discovery requesting the identification of that person.

8. The term "identify" when used with reference to documents, means to give, to the extent known, the (i) type of document; (ii) general subject matter; (iii) date of the document; and (iv) author(s), addressee(s) and recipient(s).
9. The term "identify" when used with reference to an oral communication, discussion, conversation or any other oral statement, shall mean to describe in detail the substance of each such communication, discussion, conversation or statement, state the date of such communication, discussion, conversation or statement, the place where such communication, discussion, conversation or statement was held and identify each person present for such communication, discussion, conversation or statement.
10. "Meeting" means, without limitation, any assembly, convocation, encounter or contemporaneous presence of two or more persons for any purpose, whether planned, arranged, scheduled or not.
11. Number. The use of the singular folio of any word includes the plural and vice versa.
12. "Person" means any natural person or any business, legal or governmental entity or association.
13. "Referring to", "relating to", "reflecting", "regarding" or "with respect to" mean, without limitation the concepts: pertain to, deal with, concern, reflect, record, report, constitute, contain, mention, describe, discuss, analyze, evaluate, estimate, study, survey, project, assess, support, modify, contradict, criticize, summarize, comment, or otherwise involve, in whole or in part.
14. "You," "your," and "your company" means First Bank. and includes all predecessors, successors, subsidiaries, parents, branches, departments, divisions, or affiliates, including, without limitation, any organization or entity in which they have management or controlling interests, together with all present and founder directors, officers, employees, agents, representatives or any other persons acting, or purporting to act, on behalf of the identified entities.
15. "Service" means the Bank's transfer of funds by means of wire transfer, cashier's check, official check or travelers check on behalf of an Account Holder or other Person.
16. "SWIFT" means the Society for Worldwide Interbank Financial Telecommunication.
17. Social Security numbers may be redacted from documents to the extent required by applicable law.

II. INSTRUCTIONS

1. When providing Your responses, indicate the Request to which each Document or answer responds in the metadata field, Request No.
2. Documents produced pursuant to these Requests shall be produced as they are kept in the ordinary course of business.
3. For each Document that You produce, produce the current version together with all earlier editions or predecessor Documents during the relevant time period, even though the title of earlier Documents may differ from current versions. Format for Documents produced electronically:
4.
 - a. Data shall be produced in single page TIFFs at a 300 DPI resolution which are named for the Bates Number of the page. There shall be no more than 1000 images per folder. Bates numbers, confidentiality designations, and redactions shall be burned into the TIFF image file so as not to unreasonably obstruct any information on the page.
 - b. Document Unitization. Each page of a Document shall be electronically converted into an image as described above. If a Document is more than one page, the unitization of the Document and any attachments and/or affixed notes shall be maintained as it existed in the original when creating the image file and appropriately designated in the load files. The corresponding parent/attachment relationships, to the extent possible, shall be provided in the load files furnished with each production.
 - c. Include Document level text files containing optical character recognition (“OCR”) or extracted text named with the Bates Number of the first page of the Document.
 - d. Include data load files containing all of the metadata fields (both system and application – see list below) from the original Native Documents with extension.dat for Concordance.
 - e. Include the database field name in the first line of the metadata file, in such a manner that it is clear how the metadata is organized in the file.
 - f. Include an image loadfile for Concordance – such as .opt.
 - g. All hidden text (*e.g.*, track changes, hidden columns, comments, notes, etc.) shall be expanded, extracted, and rendered in the .TIFF file.

- h. Documents created in Excel (spreadsheets), .CSV files, Access (databases), and audio and video media files shall be produced in Native format. The extractable metadata and text shall be produced in the same manner as other Documents that originated in electronic form (as described herein) to the extent that metadata exists or is reasonably accessible.
- i. Email attachments and embedded files or links shall be mapped to their parent.
- j. Produce all attachments to responsive Documents attached to the responsive Documents.
- k. De-duplicate prior to production. To the extent that exact duplicate Documents (based on MD5 or SHA-1 hash values at the Document level) reside within a party's data set, each party is only required to produce a single copy of a responsive Document, so long as there is a data field that identifies each custodian who had a copy. In addition, Documents may be de-duplicated in such a way as to eliminate earlier or incomplete chains of emails, and produce only the most complete iteration of an email chain so long as there is a data field that identifies each custodian who had a copy.
